**A PRAYER FOR THE SUCCESS OF
OUR SEMINAR IN 2012**

Lord we give You thanks for the beautiful gift of life You have given us, may You strengthen our faith Lord, as we prepare for the National Seminar.

We ask that those who attend the Seminar may be renewed in a faithfulness that can never be undermined by worldly desires, thus building them to You Lord forever.

Bless and protect those who travel far. Bless our Diocese, our Parishes and our Priests. Give us the faith we need Lord, and help us to make the body of Your Church complete.

Amen.

There is more to faith than sitting back and leaving everything to me. You have your part to play for 'according to your faith, be it unto you'. When your complete faith and trust are in me, then anything is possible. Live by faith and demonstrate my laws for all souls to see. Let us work as one, live as one, be as one; I in you and you in me. When you fully understand that I can do anything, then you realise that you can do anything, for I am working in and through you. Nothing will get done unless you take the action and do it. I am within you and you are my hands and feet. Dedicate those hands and feet to me and to my service, so that there is nothing to hold up the work and everything runs smoothly. See that you work in perfect harmony and rhythm with my laws, and behold wonder upon wonder come about; and give eternal thanks for everything.
